

# **EXHIBIT A**

## **SALE PROCEDURES**

## **SALE PROCEDURES**

The following procedures (the “Sale Procedures”) have been approved and authorized by order (the “Sale Procedures Order”) of the United States Bankruptcy Court for the Middle District of North Carolina (the “Bankruptcy Court”) in the chapter 11 case of Hampton Capital Partners, LLC d/b/a Gulistan Carpet (the “Debtor”), and shall govern the proposed sale (the “Sale”), including any auction (the “Auction”) conducted in connection therewith, of certain assets of the Debtor, pursuant to Debtor’s motion for an order authorizing the Sale and granting related relief (the “Sale Motion”).

**1. Sale Assets.** The assets to be purchased pursuant to these Sales Procedures (the “Sale Assets”) include (i) all machinery and equipment located on the Debtor’s premises located at 3140 NC 5 Highway, Aberdeen, North Carolina (the “Aberdeen Facility”) and at 19320 Airport Road, Wagram, North Carolina (the “Wagram Facility” and collectively, the “Debtor’s premises”) shown on the machinery list attached hereto as Schedule A, (ii) all other non-listed machinery, equipment, parts, scrap and rolling stock owned by the Debtor and located at the Debtor’s premises in Aberdeen and Wagram, (iii) all other miscellaneous items of personal property not in use by the Debtor at the time of Closing, located at the Debtor’s premises in Aberdeen and Wagram. The Sale Assets shall be sold free and clear of all liens to the fullest extent permitted under Section 363 of the Bankruptcy Code. The Sale Assets do not include any assets other than those specifically identified above, and without limiting the generality of the foregoing, shall not include (i) fixtures, including without limitation building systems such as chillers, switchgear, or power panels or wiring from the first power disconnect from each machine, (ii) equipment leased to the Debtor under a pure lease or otherwise excluded, as identified on the list attached hereto as Schedule B, (iii) real estate interests, (iv) intangible assets (trade names, copyrights, designs, accounts receivable, etc.), (v) inventory (raw materials, work in process, finished goods), (vi) cash, cash equivalents, bank deposits, funds in transit or tax refunds, (vii) any rights under the pre-petition or post-petition loan agreements between the Debtor and Bank of America, N.A., and (viii) any causes of action that are pending or may be brought by or on behalf of the Debtor, including those that may be brought by the Debtor pursuant to Chapter 5 of the Bankruptcy Code.

**2. Diligence by Prospective Bidders.** Debtor shall give notice of the proposed Sale and these Sale Procedures to prospective bidders, receive and consider unsolicited offers for the Sale Assets, provide information to any such prospective bidder, and allow any such prospective bidder to conduct due diligence in connection with consideration of a potential bid for the Sale Assets; provided, however, that any such prospective bidder desiring to conduct due diligence shall (a) demonstrate the financial ability, as determined by Debtor in its reasonable discretion, to consummate a transaction for the purchase of the Sale Assets, and (b) execute a confidentiality agreement in a form acceptable to Debtor in its sole discretion. Debtor shall file with the Court, on or before the Bid Deadline (as defined below), a statement identifying any prospective bidder that is not allowed to conduct due diligence because of a determination by Debtor that said person does not have the financial ability to consummate the purchase.

**3. Stalking Horse Bid.** Gordon Brothers Commercial and Industrial, LLC and Counsel RB Capital, LLC (the “Stalking Horse Bidder”) and the Debtor have entered into a certain Asset Purchase Agreement (the “Stalking Horse Agreement”). Pursuant to the Sale Motion, the Debtor

seeks to sell the Sale Assets to the Stalking Horse Bidder in accordance with the terms and conditions of the Stalking Horse Agreement, subject to Court approval and exposure to higher and better bids pursuant to the Sale Procedures outlined herein.

**4. Overbid Requirements.** Any entity that is interested in purchasing the Sale Assets (a “Bidder”) must submit to John A. Northen, Northen Blue, LLP (“Debtor’s Counsel”), with copies to Committee Counsel, counsel for Bank of America, N.A., and counsel for the Stalking Horse Bidder an “Initial Bid” in conformance with this paragraph, in a manner such that the Initial Bid is received by Debtor no later than the Bid Deadline. Every such Initial Bid must:

- a. Include an executed copy of a definitive Asset Purchase Agreement, including all referenced Schedules and Exhibits (collectively, the “Agreement”) specifying the assets to be purchased at closing as all or a portion of the Sale Assets. The Agreement shall not include any assets in addition to those assets specifically identified in the Stalking Horse Agreement. The Agreement shall be substantially in the same form as the Stalking Horse Agreement, with no material changes to the representations, warranties, or other obligations of the Debtor contained therein. The Agreement shall be accompanied by a red-line document showing any and all differences between the Agreement and the Stalking Horse Agreement.
- b. Provide for a fixed purchase price of at least \$5,150,000.00, subject to the ability to increase such price at the Auction.
- c. Be a “firm offer” subject only to final approval of the Bankruptcy Court, and not subject to further due diligence or conditional upon obtaining financing or any third party approvals.
- d. Be accompanied by admissible evidence in the form of affidavits or declarations establishing the Bidder's good faith, within the meaning of section 363(m) of the Bankruptcy Code.
- e. Be accompanied by (i) financial statements or admissible evidence in the form of affidavits or declarations establishing that the Bidder is ready, willing, authorized, capable, and qualified, financially, legally, and otherwise, of unconditionally performing all obligations under the Agreement in the event that it submits the prevailing bid at the Sale Hearing, and (ii) evidence that it is duly authorized and entitled to engage in the transaction contemplated by the Initial Bid without the consent of any entity that has not been obtained.
- f. Be accompanied by a deposit equal to 10% of the fixed purchase price under the Agreement (the “Deposit Amount”) in the form of a wire transfer or cashier's check payable to Debtor’s Counsel and to be held in a non-interest bearing trust account by Debtor’s Counsel pending completion of the Auction, and subject to the provisions of Paragraph 13 below.

- g. Include a commitment to close and consummate the Sale promptly following entry of the Sale Order, assuming no stay thereof, and in no event later than May 30, 2013.
- h. Provide that the Sale Assets shall be removed from the Debtor's premises on or before June 30, 2013; provided however, that the the Agreement may contain extended storage provisions, for a period of up to six (6) months following June 30, 2013, in substantially the same form as those contained in Section 2.4 of the Stalking Horse Agreement.

**5. Bid Deadline.** Any Initial Bid must be delivered to Debtor's Counsel by 4:00 o'clock p.m. Eastern, on May 6, 2013 (the "Bid Deadline"), with a copy to counsel for the Official Committee of Unsecured Creditors (the "Committee"), counsel for Bank of America, N.A., and counsel for the Stalking Horse Bidder.

**6. Non-Conforming Bids.** Any entity that fails to submit a timely, conforming Initial Bid, as set forth above, as determined by Debtor in its reasonable discretion, shall be disqualified from bidding for any of the Sale Assets at the Auction conducted prior to the Sale Hearing. At least two (2) business days prior to the Auction Date, Debtor's Counsel shall file with the Court and serve upon such Bidder a statement explaining the grounds for disqualification ("Statement of Disqualification"). Any party in interest may contest Debtor's determination as to whether an Initial Bid is conforming, but any such contest must be served upon Debtor's Counsel and filed with the Bankruptcy Court by the Objection Deadline.

**7. Auction Procedures.** In the event that one or more timely, conforming Initial Bids are submitted (the Stalking Horse Bidder and each person who has submitted such a timely, conforming Initial Bid shall be referred to herein as a "Qualified Bidder"), Debtor and Debtor's Counsel shall conduct the Auction in which only Qualified Bidders may participate. The Committee and any secured creditor may attend the Auction. The Auction shall be held on May 9, 2013 (the "Auction Date"), commencing at 9:00 o'clock a.m. Eastern, in the offices of John A. Northen, Northen Blue, LLP, 1414 Raleigh Rd., Suite 435, Chapel Hill, NC 27517 (or such other location as may be determined by Debtor and Debtor's Counsel and communicated to all Qualified Bidders at least two (2) business days before the Auction), and shall be governed by the following procedures:

- a. All bidders shall be deemed to have consented to the core jurisdiction of the Bankruptcy Court, to have consented to the Constitutional authority of the Bankruptcy Court to enter a final judgment, and to have waived any right to jury trial in connection with any disputes relating to the Auction and/or the sale of the Sale Assets.
- b. Bidding will commence at an amount of the highest or otherwise best conforming Initial Bid submitted by a Qualified Bidder, as determined by Debtor in its reasonable discretion.
- c. Each subsequent bid by a Qualified Bidder shall be in increments of at least \$25,000 in aggregate consideration above the previous bid.

- d. Each Qualified Bidder should be prepared to make its best and final offer at the Auction, and Debtor reserves all rights to grant or deny any request for a continuance or recess of the Auction or the Sale Hearing, after consultation with the Committee.
- e. Upon conclusion of the Auction, Debtor shall designate the highest or otherwise best bidder as the prevailing bidder (the “Prevailing Bidder”), after consultation with the Committee.
- f. Debtor shall file a Report of Auction upon completion of the Auction, designating the Prevailing Bidder and the Back-up Bidder, if applicable, setting forth in each instance the amount of the respective Bids.

**8. Back-up Bidder.** Upon the conclusion of the Auction, Debtor shall designate the next highest or otherwise best bidder after the Prevailing Bidder to serve as the “Back-up Bidder.” Any objection to the designation of the Back-up Bidder shall be raised at the Sale Hearing and decided by the Bankruptcy Court. If, for any reason, the Prevailing Bidder is unable or unwilling timely to perform its obligations under the Prevailing Bidder's definitive sale agreement and the Sale Procedures, Debtor, in the exercise of its business judgment, after consultation with the Committee, may sell the Sale Assets to the Back-up Bidder without further notice or a hearing. The Back-up Bidder's bid shall remain open and binding until the sale to the Prevailing Bidder closes or, if the Prevailing Bidder is unable or unwilling to close and Debtor elects to sell to the Back-up Bidder, until the sale to the Back-up Bidder closes.

**9. Break-Up Fee.** Solely in the event that the Bankruptcy Court enters an order approving the sale of the Sale Assets to an entity other than the Stalking Horse Bidder, and the Stalking Horse Bidder has not committed a material default under the Stalking Horse Agreement, and the Debtor does not sell the Sale Assets to the Stalking Horse Bidder, Debtor shall pay to the Stalking Horse Bidder a break-up fee of \$50,000.00 for its time spent and expenses incurred in connection with its initial due diligence and negotiating the Stalking Horse Agreement and Sale Procedures, and for the value it brought to the Debtor and its estate by providing a stalking horse bid and entering into the Stalking Horse Agreement, payable on the closing of the sale of the Sale Assets to an entity other than the Stalking Horse Bidder. Except as expressly provided herein, the Stalking Horse Bidder shall not be entitled to any other overbid, expense reimbursement, topping or break-up fee of any nature.

**10. Objection.** Any objection to the Sale Motion, a Statement of Disqualification, the Auction, the designation of the Prevailing Bidder or the Back-up Bidder, or entry of the Sale Order (an “Objection”) must be served upon (i) Michael D. West, Bankruptcy Administrator, 101 S. Edgeworth St., P.O. Box 1828, Greensboro, NC 27402; (ii) John A. Northen, counsel for the Debtor, Northen Blue, LLP, P.O. Box 2208, Chapel Hill, NC 27515-2208; (iii) Bruce Nathan, counsel for the Official Committee of Unsecured Creditors, Lowenstein Sandler LLP, 1251 Avenue of the Americas, 17<sup>th</sup> Floor, New York, New York 10020 and Bruce Buechler, counsel for the Official Committee of Unsecured Creditors, Lowenstein Sandler LLP, 65 Livingston Avenue, Roseland, NJ 07069 (“Committee Counsel”); (iv) James S. Rankin, Jr., counsel for Bank of America N.A., Parker Hudson Rainer & Dobbs LLP, 1500 Marquis Two Tower, 285 Peachtree Center Avenue NE, Atlanta, GA 30303, and (v) Kevin J. Simard, counsel

for the Stalking Horse Bidder, Choate Hall & Stewart LLP, Two International Place, Boston, MA 02110, and filed with the Bankruptcy Court, in a manner such that the Objection is actually received by such parties and the Bankruptcy Court on or before May 13, 2013 (the “Objection Deadline”). Debtor and other parties in interest shall not be required to file responses to any Objection.

**11. Sale Approval Hearing.** The final hearing to approve the Prevailing Bidder and the Back-up Bidder (the “Sale Approval Hearing”) shall be held before the Bankruptcy Court at 10:00 o’clock a.m. Eastern time on May 16, 2013, in the U. S. Bankruptcy Courtroom, Venable Center, 302 East Pettigrew Street, Durham, North Carolina. The Prevailing Bidder and the Back-up Bidder, if one is designated, shall appear at the Sale Approval Hearing, in person or through a duly authorized representative and not solely through counsel.

**12. Business Judgment.** The Debtor may recommend a sale of the Sale Assets to any Qualified Bidder whose bid the Debtor determines, exercising reasonable business judgment, to be in the best interests of the bankruptcy estate. The Debtor shall consult with secured creditors and the Committee or any other significant constituent in connection with the bidding process and the selection of the highest or otherwise best bid. The Debtor may reject, at any time before the entry of an order of the Bankruptcy Court approving a bid from a Qualified Bidder, any bid that is deemed inadequate or insufficient, not in substantial conformity with the Bankruptcy Code or these Sale Procedures, or contrary to the best interests of Debtor, its estate and its creditors. In exercising business judgment as to which bid constitutes the highest or otherwise best bid, the Debtor may consider all factors which it may deem relevant, subject to the parties’ right to object and raise any such issues with the Bankruptcy Court.

**13. Disposition of Deposits.** Promptly following the Bankruptcy Court’s determination of the Prevailing Bidder, the deposits submitted by any Bidders shall be refunded to each unsuccessful bidder other than the Back-up Bidder, if any. The deposits of the Prevailing Bidder and the Back-up Bidder shall be retained as earnest money to be used in the following ways:

- a. The deposit of the Prevailing Bidder shall either be (i) applied at closing as a credit toward the purchase price of the Prevailing Bidder or, if the purchase price is paid in full at closing, returned to the Prevailing Bidder, (ii) if the sale to the Prevailing Bidder shall fail to timely close by reason of a breach or default of the Prevailing Bidder, the deposit shall be retained by Debtor as liquidated damages, or (iii) in the event that the sale to the Prevailing Bidder shall fail to timely close by reason of a breach or default of Debtor, the deposit shall be returned to the Prevailing Bidder.
- b. The deposit of the Back-up Bidder shall either be (i) returned to the Back-up Bidder upon the closing of the transaction with the Prevailing Bidder, (ii) if the sale to the Prevailing Bidder shall fail to close for any reason, applied at closing as a credit toward the purchase price of the Back-up Bidder, (iii) if the sale to the Back-up Bidder shall fail to timely close by reason of a breach or default of the Back-up Bidder, retained by Debtor as liquidated damages, or (iv) if the sale to the Back-up Bidder shall fail to timely close by reason of a breach or default of Debtor, the deposit shall be returned to the Back-up Bidder.
